1. Review 2012-2017 Membership Agreement Package

- Presentation of New Membership Package (Michel)
- Q&A (Michel)
- Update on 2012 Data Purchase Shortlist (Mike)

Discussion:

- Leads with concerns about Membership pricing structure should contact Michel directly
- Feedback given to DPAWG on moving up some items from medium to high priority
- Varying levels of interest in specific analytical tools; general agreement that tools are useful in selling the program to members
- High level of satisfaction with previous data purchase expressed by Leads
- Details on next data buy priorities included in the current version of Catalogue, with more details to be added as feedback gathered and more information becomes available

Action Items:

- Mary to post catalogue with priorities to Leads
- Leads to respond to data purchase by e-mailing information@community.ca (DAPWG members can also be contacted)

2. Program Team Updates

- Communications and Outreach Strategy (Karin)
- 2011 User Survey Results (Mary)

Update:

- Outreach an ongoing effort; Leads encouraged to submit any names of contacts in potential new consortia areas

Action Items

- Michel sent promotional package to Steering Committee with Tuesday deadline for comment

- Once approved, package will be posted to website and Leads will be notified of the link
