Community Snapshot

The Halton Newcomer Strategy: Community Indicator Report [↗](#)

Photo credit: Halton Regional Municipality

The project was undertaken by extensive community consultations, Halton Newcomer Strategy Steering Committee and Working group members as well as a research student from Humber College.

Organizations

Halton Newcomer Strategy (including Halton Regional Municipality, Community Development Halton, and Halton Regional Police Services)

Community data used

- **Census Profile, 2006**
- **Permanent Residents Rounded Data Cube, 2010**

Summary

The 2013 Community Indicators Report was an important step in the work of the Halton Newcomer Strategy (HNS) to create welcoming, inclusive and supportive communities where newcomers can participate and prosper. The Report supports the work plans of the HNS Steering Committee and Working Groups by providing baselines to improve our understanding of the current experience of newcomers in Halton, and to inform our progress in creating and maintaining the conditions of a welcoming community.
