Agenda

- New team member
- Leads' Virtual Meeting - January 16, 2025
- Annual in-person learning/networking event
- Data acquisition updates / Schedule B
- Upcoming table production
- Webinars
- Tableau/Data visualization products
- Next meeting
- Other business

New team member

Jamie Carrick has left us to return to school. August Tensuda will be assuming Jamie's position. August graduated with a Master of Science in Analytics and has worked with us before on web-scraping projects.

Leads' Virtual Meeting - ~~January 16, 2025~~

==UPDATE: the leads' meeting has been postponed to **February 20, 2025**, from 1:30 to 3 p.m. Eastern Time==

~~The Leads' virtual meeting will take place on Thursday, January 16, 2025, from 1:30 pm to 3 pm Eastern Time~~. The purpose of the January leads' meeting is to provide consortium leads with an opportunity to hear firsthand from CCEDNet and the CDP team about accomplishments from 2024 and plans for 2025.

Annual in-person learning/networking event

May 8 and 9, 2025 in Thunder Bay. We will be looking for presenters for this event. Please let us know if you are interested or if you have suggestions for presenters or sessions.

Data acquisition updates / Schedule B

Please check the catalogue to see what data sets were uploaded since the September 18 DPAWG meeting. A summary is provided below:

- **Canadian Index of Multiple Deprivation 2021**
- **Longitudinal Immigration Database Dashboard, 2015-2021** (Core IMDB data)
- **IRCC Permanent Resident Admission Tables, 1998 to 2023**
- **IRCC Settlement Services Tables, 1998 to 2023**
- **IRCC Temporary Resident Admission Tables, 2015 to 2023**
- **IRCC - Number of Asylum Claims by local Application Create Office and the Province of Claim, 2014 to 2023**
- **EIS - Employment insurance (EI) beneficiaries, monthly, unadjusted for seasonality**
- **Shelter cost groups (22), Household type (9), Tenure (7), Age of primary household maintainer (9), Household expenditure types (5), and Number of bedrooms (6) for Private Households**
- **Taxfiler F-01 Dashboard**

CUSTOM GEOGRAPHIES:
- **Age groups (12), Highest certificate, diploma or degree (16), Selected demographic characteristics (28), Gender (3) and Income in 2020 (36)**

- Last batch of custom geographies : Census Profile, detailed Age & Gender, Target Group Profiles, CPP-01, Core Housing Need,

Upcoming table production

The IMDB group at StatCan has indicated that the ICARE tables wouldn't be released 'anytime soon'. We are proceeding with the assumption that these tables won't be ready before March 31, 2025.

- Income inequality tables – 2021, 2022
- Household and Family TGPs for the last batch of custom geographies

2025 Acquisition Plan / Draft Schedule B

Presented Draft Schedule B

Census table priority-setting exercise – feedback requested by January 15, 2025

Peel: interest in the CPP tables. It would be helpful to continue with these dimensions

York: Can the Longitudinal Administrative Databank be disaggregated by immigration status?

Requests/Suggestions:

- Canadian Income Survey at CSD/CD level?
  - linkage to LFS? opportunity for other data not publicly available? Food security, childcare?
- Canadian Community Health Survey - Food security
  - What other geographies are possible? CMA better than Health Region?
- Annual MBM data – estimates at CD/CSD level?
- Canadian Housing Survey
  - check again to see if custom request is possible

Webinars

These topics are currently on the schedule:

- January Leads' Virtual meeting
- Modelled Market Basket Measure poverty rates for 2022 and 2023
- NRCan – Natural Hazards data
- Refresher on Infographics/Dashboards

- CDP orientation
- Data for rural and small communities – focus on rental housing affordability dashboard

Your suggestions for webinars are always welcome!

<u>Tableau Infographics and Dashboards</u>

The CDP team regularly solicits the DPAWG members for infographic and dashboard ideas.

We have started work on a rental affordability dashboard using data scraped from rental ad websites.

Inflation effects dashboard:
The shelter cost table and home energy spending table could be used to create a shelter costs/inflation effects dashboard.

<u>Next meeting</u>

Week of February 10th. Will send Doodle closer to date.

<u>Other business</u>

No other business.

Meeting ended 2:45pm ET
