Agenda

- Annual Meeting, possible tour of immigration museum, hotel to be finalized, Thursday evening social event
- Possibilities for a CDP Annual Report
- Tools such as Tableau, Power BI (Harvey Low, Toronto)
- New Resource Sharing (such as guides, resources, evaluation of consortium, etc.) (Auburn Larose, Parry Sound - Nipissing)
- Members such as utilities (Ross Graham, Waterloo Region)
 - General practice is that organisations can become members if they partner with utility companies, just make sure that the use of the data is in the spirit of the program and not available directly to the utility company for profit purposes

Actions:

- More discussion of Power BI and who is using it and how to come from webinar meetings and at annual meeting
- Conversation around creating a different style of annual report using Tableau to come at annual meeting
- Invitations and details on annual meeting will be distributed soon
