# CDP - National LIP Secretariat Partnership

The screenshot shows the Immigration Data Portal website. At the top, there is a navigation bar with the CDP logo and menu items: About, Resources, News, and Portals. To the right of the menu are buttons for Find Data, Cart, My account, Join, Log out, and CCEDNet. Below the navigation bar is a green header with the title "Immigration Data Portal". Underneath the header is a sub-navigation bar with buttons for View, Access control, Edit, Delete, Revisions, Clone, and Devel. On the left side, there is a sidebar menu with categories: Data, Membership, Guides, Webinars, and Infographics and Dashboards. The main content area features a breadcrumb trail: Home / Resources / Immigration Data Portal. Below the breadcrumb is a descriptive paragraph: "The Immigration Data Portal provides access to a selection of Community Data Program resources for Local Immigration Partnerships." This is followed by a map titled "Recent immigrants (2016 to 2021) by census division". The map includes a legend with a color scale from 0.0% (yellow) to 7.2% (dark green). Below the map is a button that says "Click here to view the Immigration Data Portal Catalogue →". At the bottom of the page, there are two sections: "Data" and "Membership". The "Data" section states: "The catalogue of data products, infographics and dashboards accessible to Immigration Sector Network members is available here." The "Membership" section contains two paragraphs: "If your LIP is already a full member of the CDP, you can register a new account here. Once your account is activated, you can start looking for data here." and "If your LIP is not a member of the CDP but would like to join a data consortium in your local community, learn how to become a member here."

The screenshot displays the CDP Immigration Data Portal interface. At the top, there is a navigation bar with the CDP logo, menu items (About, Resources, News, Portals), and utility links (Find Data, Cart, My account, Join, Log out, CCEDNet). The main header is green and contains the title 'Immigration Data Portal' and a subtitle 'Data products for Immigration Sector Network consortium users'. Below this is a search filter section with three dropdown menus for 'Topics', 'Product group', and 'Data provider', each with the placeholder text 'Choose some options'. There are also input fields for 'Title', 'Years within data', and 'Items per page' (set to 20). A red 'Apply Filters' button and a 'Reset Filters' button are located below the filters. The main content area has a breadcrumb trail 'Home / Immigration Data Portal' and a paragraph explaining that the catalogue provides access to Community Data Program resources for Local Immigration Partnerships (LIPs) that are not members of a community data consortium. It also notes that users may download products only when their user account is activated and provides contact information for questions. A table of data products is shown below, with columns for Title, Geographies, Years within data, and Posted.

# Live demonstration of the Immigration Data Portal

- Navigating the site
- Registering with the Community Data Program
- Finding tables
- Finding data
- Using Tableau dashboards

The screenshot shows the Immigration Data Portal website. At the top, there is a navigation bar with the CDP logo and links for About, Resources, News, and Portals. On the right side of the navigation bar, there are buttons for Find Data, Cart, My account, Join, Log out, and CCEDNet. Below the navigation bar, the page title is "Immigration Data Portal". A secondary navigation bar contains links for View, Access control, Edit, Delete, Revisions, Clone, and Devel. On the left side, there is a sidebar menu with links for Data, Membership, Guides, Webinars, and Infographics and Dashboards. The main content area features a heading "Home / Resources / Immigration Data Portal" and a descriptive paragraph: "The Immigration Data Portal provides access to a selection of Community Data Program resources for Local Immigration Partnerships." Below this, there is a section titled "Recent immigrants (2016 to 2021) by census division". This section includes a dropdown menu for "Select a variable to map" (currently set to "Recent immigrants (2016 to 2021)"), a dropdown menu for "View a province" (currently set to "(All)"), and a color scale legend ranging from 0.0% (yellow) to 7.2% (dark green). A map of Canada is displayed to the right of the legend, showing the distribution of recent immigrants by census division. Below the map, there is a button that says "Click here to view the Immigration Data Portal Catalogue →". At the bottom of the page, there are two sections: "Data" and "Membership". The "Data" section states: "The catalogue of data products, infographics and dashboards accessible to *Immigration Sector Network* members [is available here](#)." The "Membership" section contains two paragraphs: "If your LIP is already a *full* member of the CDP, you can [register a new account here](#). Once your account is activated, you can [start looking for data here](#)." and "If your LIP is not a member of the CDP but would like to join a data consortium in your local community, [learn how to become a member here](#)."
